

HELP WHEN YOU NEED IT

Anyone who works in footwear can take advantage of the Two Ten Employee Assistance Program (EAP) for themselves or immediate family members. Through the EAP, Two Ten offers **free and confidential access to mental health and substance abuse counseling, legal and financial counseling, and life coaching services.** Signing up for the program also opens access to wellbeing and work/life balance resources, budgeting tools, credit reports, local childcare and eldercare resources, and tips on common concerns in areas such as family, health, finances, careers, pets, home safety, college life, and military life. EAP members also get free access to dozens of online courses designed to develop the types of “soft skills” that lead to success in business and in life.
